My Personal Health Record | Find a Doctor & Book an Appointment | Medication Reminders

Manage your and your family's health information.

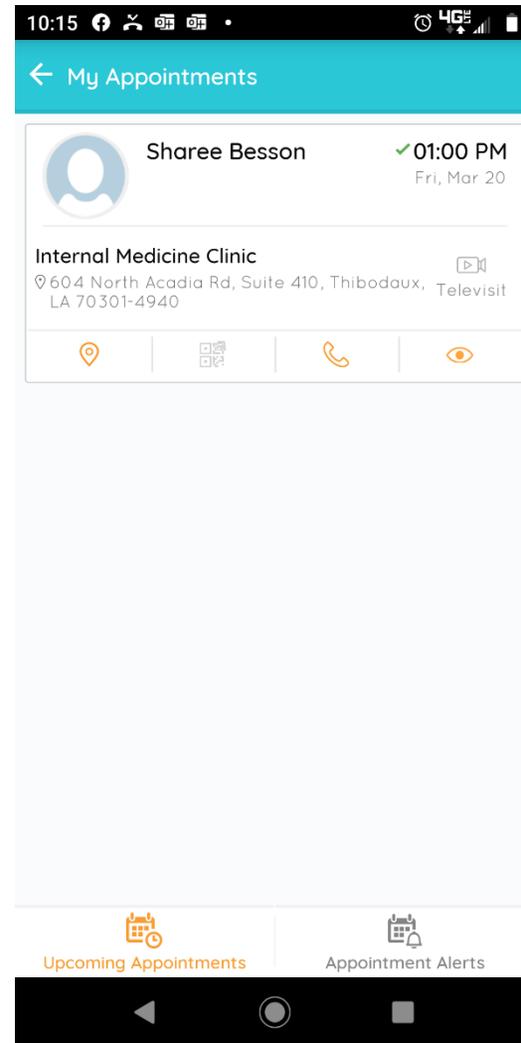

When you launch the app you will need to:

1. Add the practice code, DHGIBA, in the section below “Find My Doctor”
2. Select Login after entering the code
3. Enter the username given to you by the clinic
4. You will be prompted to “Select Relationship”
5. Enter the password you created for your patient portal
6. Agree to the terms and conditions
7. Create a 4 digit pin number

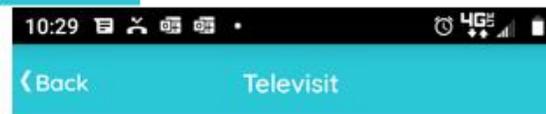

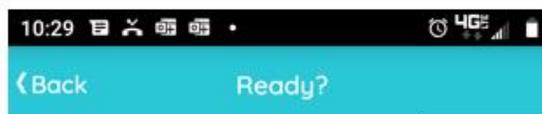

Once you are in the Healow app you can tap on the "Appointments"

Tap on your appointment

Once you are done with the questionnaires you can tap on "Start TeleVisit" and wait for your provider to join.
